---

- Local Chicken prices greatly drop in Iganga, Lira and Nakasero Markets
- A bunch of Matooke increases in price in Kalerwe Market.
- The price of Sorghum Flour increases in price in Kalerwe and Jinja Markets.
- The price of Pineapples drops in Nakasero and Kalerwe Markets.

## COMMODITY HIGHLIGHTS

Prices of Local Chicken were seen to have dropped during the last two (2) weeks as this is attributed to the abundant supply of birds in the various markets. However various reports indicate that there has been an outbreak of Avian Influenza around the country therefore consumers are advised to take caution as this is not good for their health. The average prices of Tilapia, Unprocessed Honey, and Millet Grain were seen to have escalated due to shortage in supply whereas the prices Upland Rice, Sorghum Grain and Maize Grain remained constant across the major markets due to the steady supply.

## KALERWE MARKET

---

A bunch of Matooke sharply increased in the Market by Shs 1650 on Wholesale and Shs 3000 on retail. Traders attributed this to scarcity of the commodity. The price of Cassava Flour was seen to have dropped by Shs 100 and shs 200 on wholesale and retail respectively .this is attributed to the commodity being in plenty in the market.

## JINJA MARKET

---

The price of Millet Flour and Grain were seen to have increased on both whole sale and retail by Shs 400 however traders attributed this to scarcity of the commodity from the supply sources of Mbale and Kamuli. The volume of the commodity in the market was very low since it had been supplied by a few nearby farmers.

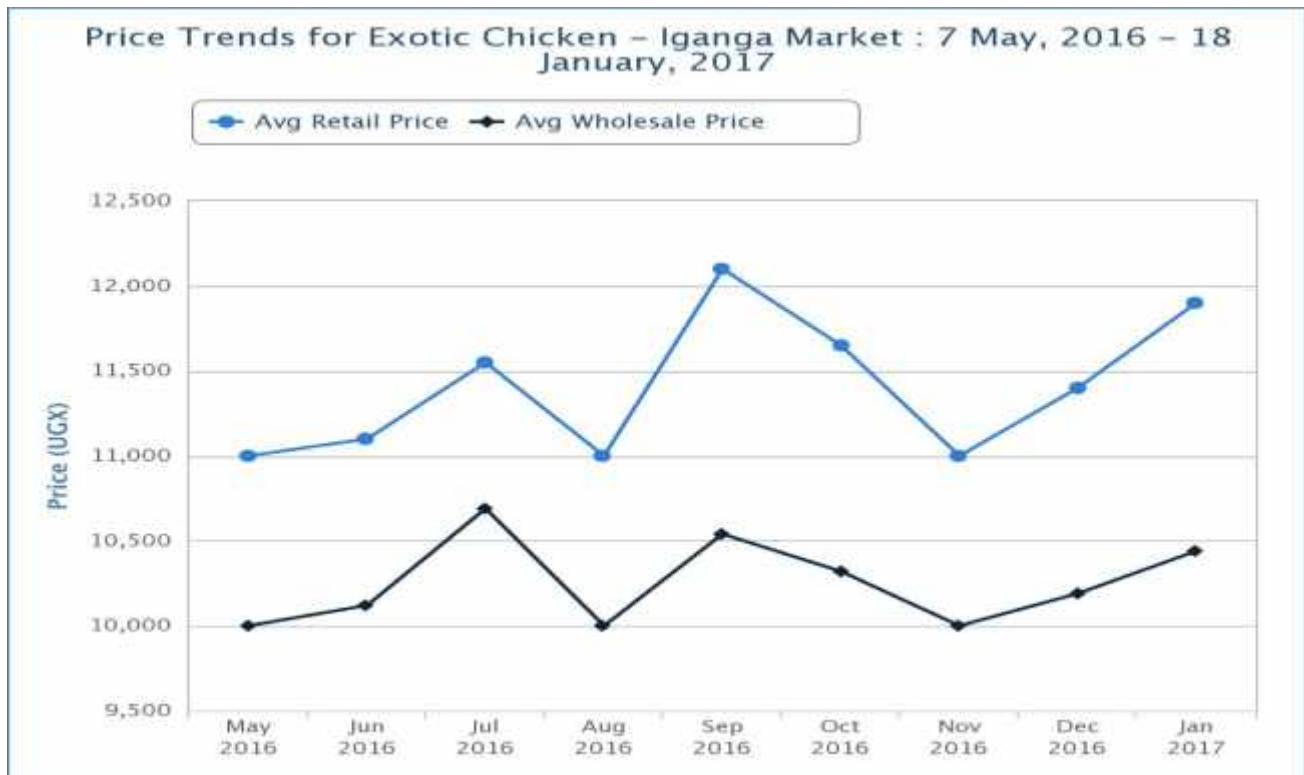

The price of Cow Peas was seen to have increased both on wholesale and Retail by Shs 50 and 250 respectively. Traders attribute this development to the scarcity of the commodity in the market and low supply from nearby areas such as Iganga and Kamuli.

---

**NAKASERO MARKET**

The price of Exotic Chicken was seen to have dropped both retail and whole sale by shs 2,650 and 650 respectively. Traders attributed this to the birds being in plenty since the festive season had ended and the outbreak of Avian Influenza that scared off most of the buyers for fear of contracting the disease.
